

### **Young Professionals Advisory Council Application**

Welcome to the 2018 Application Process to join the Qatar America Institute’s Young Professionals Council. The Qatar-America Institute is a DC based organization dedicated to enhancing the educational and cultural exchange between students and professionals in the US and Qatar by promoting education on the political, economic and social issues inherent in the U.S.’ strategic relationship with the Middle East.

This important work will require the knowledge and support of young professionals that have lived and studied in the Middle East and who have developed working knowledge of the U.S.-Middle East relationship. These young professionals provide vital guidance to QAI’s leadership in helping the organization to advance its mission by sharing their experiences and contributing to the organization’s goal-setting and agenda.

Members of the Young Professional Council (YPC) are selected by QAI leadership and current YPC members based upon their (1) commitment to QAI’s mission of strengthening cultural and education exchange, (2) their professional and/or education experience in Qatar and the Middle East and (3) their interest in participating in and planning QAI events and discussions on issues that are pertinent to their fields of study or work.
